## 7. Administrative Address

1. Dr. Judith Bense, University President

Apologizes for lateness, due to a meeting. Football and issues of our facilities. Plan is to build both practice and game field. More funds were expected from the state based on student credit hours. Students jrs and srs are taking fewer hours. Students are taking fewer courses and working more instead on relying on financial aid. Deciding to wait a year or less to build a new budget that fits our finances. Competition field will be built first, then practice field. There will be a greater emphasis in collecting funds. Hoping to generate more private funds. Number 3 on the state's priority list of new buildings, building 58. New labs will be coming along with offices and administration. Academic facilities much more expensive than football construction. UWF earns back 2 million dollars, put together an improvement plan and accomplished it so half of the money was sent back. Good news with Metric 21 out of 50 became 37 out of 50. Excess hours metric is being recalculated because it was done wrong. Improved 9 out of 10 on the metric. Hopefully we will get more money (millions). Asking for recurring money to help fund the programs that helped us improve our metric score.

Asking for recurring money to help fund the programs that helped us improve our metric score, recurring funding for PA program and mechanical engineering program. Hopefully trying to partner with Florida State. Military and Veterans Program more funding a quarter of a million dollars, recurring, to help with staffing multiple programs.

Opening "open" office hours sometime in March spread the word.

Question: Senator Hewey - what is the 2 million going for. P. Bense - to pay the bills! Question: P. Friedland, thanks her for her attendance.

Senator Hewey, BEI and parking fees, increase in parking fees for next year. Any info available? P. Friedland says increase is due to construction and parking garage. Mcburney says parking fees go to BEI but they use the funds for parking initiatives on our campus.

Senator Griego wants to hear some of the letter produced by Pr. Bense

McBurney read resolution by Faculty Senate.

P. Friedland in ad hoc meeting 4-1-1 to recommend BOT to extend Pr. Bense contract. VP Wilson, why did you vote NO for university parkway. McBurney voted that way because he felt that it was in the best interest for the students. Students have shown that students support football.
