University of West Florida Accelerated Cybersecurity Degree Program for Joint Cyber Analysis Course Graduates

The University of West Florida and the National Security Agency National Cryptologic University partnered to create accelerated degree completion pathways for **Joint Cyber Analysis Course** graduates.

Cybersecurity Degree and Career

- Have you completed the Joint Cyber Analysis Course (JCAC) for NSA and military members?
- Are you interested in continuing your education?
- Are you interested in pursuing a career in cybersecurity?

Agreement Highlights

- For JCAC graduates, UWF will apply up to 30 credits toward the Bachelor of Science in Cybersecurity degree – a National Center of Academic Excellence in Cybersecurity designated program by the NSA.
- Students may earn an additional 3 credits upon enrollment.
- Student may earn a Cybersecurity Fundamentals Credential upon completion of one course.
- Students may earn an Associate of Arts and a Certificate in Cybersecurity along the way.

Program Benefits

- UWF is designated as a National Center of Academic Excellence (NCAE) in Cybersecurity by the NSA.
- UWF B.S. in Cybersecurity program graduates' certificates and transcripts will indicate the NSA CAE-C designation.
- UWF is the Southeast Regional Hub for National Centers of Academic Excellence in Cybersecurity.
- Completing a UWF Cybersecurity certificate or degree program will enhance career opportunities.
- Tuition assistance opportunities are available.

For Additional Information
