BECOME A MEMBER

We have membership levels with unique benefits and opportunities to engage with all the museums of Historic Pensacola. Join today to help support keeping Pensacola history and culture alive.

MAKE A DONATION

The UWF Historic Trust collects, preserves and interprets the history of our region and the Pensacola Museum of Art acts as an unmatched cultural and artistic haven in our community.

Gifts, no matter the size, are important to our organizations because they help to expand outreach efforts, provide free community programming, curate new exhibitions and preserve our collection of art, photos and archival information for our local community.

VOLUNTEER

Volunteers over 18 years of age can serve at our front desk, as curatorial volunteers or as living history volunteers. Email Wendi Davis, our visitor experience manager, to learn more at wdavis4@uwf.edu.
