Morse, T. E. (2000). Practical approaches to individualizing staff development for adults. *School Business Affairs, 66* (2), 37-38.

Book Reviews (continued)

Morse, T. E. (1999). Schools for sale. *School Business Affairs, 65* (8), 43.

Grants

Morse, T. E. (2014-2019). "Autism Project." Mississippi Department of Education. Operate a demonstration autism school program from The University of Southern Mississippi – Gulf Coast and conduct statewide autism training activities. ($5,474,240)

Morse, T. E. (July 1, 2015 - June 30, 2016). "Autism Project." 2015 Mississippi Legislature Appropriation, House Bill No. 1536. ($50,000)

Morse, T. E. (July 1, 2014 - June 30, 2015). "Autism Project." 2014 Mississippi Legislature Appropriation, House Bill No. 1476. ($50,000)

Morse, T. E. (2012-2015). "Autism Project." Mississippi Department of Education. Operate a demonstration autism school program from The University of Southern Mississippi – Gulf Coast and conduct statewide autism training activities. ($2,517,163)

Morse, T. E. (2009-2012). "Autism Project." Mississippi Department of Education. Operate a demonstration autism school program from The University of Southern Mississippi – Gulf Coast and conduct statewide autism training activities. ($1,639,340)

Morse, T. E. (2010-2011). "The Project." Mississippi Department of Health. Operate a demonstration autism school program from The University of Southern Mississippi – Gulf Coast and conduct statewide autism training activities. ($69,294)

Morse, T. E. (2010-2011). Pass Christian School District. Provide Autism consultation and training. ($6,290)

Morse, T. E. (2010-2011). Moss Point School District. Provide Autism evaluation and training. ($3,865)

Morse, T. E. (2010-2011). George County School District. Provide Autism consultation and training. ($5,895)

Morse, T. E. (2010-2011). Wayne County School District. One-half day Autism Training. ($677)

Morse, T. E. (2009-2010). "Project LINK." Mississippi Council on Developmental Disabilities. Create an autism assessment/intervention support team that will perform diagnostic and training activities within an autism project at The University of Southern Mississippi – Gulf Coast. ($116,783)

Grants (continued)

Morse, T. E. (2009). "Emergency Management First Responder Communication Picture Boards Project." United States Society for Augmentative and Alternative Communication. Obtain communication picture boards and related materials for use by South Mississippi emergency management personnel. ($1,000)

Morse, T. E. (2008-2010). Quitman School District. Provide Autism consultation and training. ($20,000)

Morse, T. E. (2008). "Harrison County Multi-Jurisdictional Hazard Mitigation Plan Committee Project." United States Society for Augmentative and Alternative Communication. Obtain communication picture boards and related materials for use by South Mississippi emergency management personnel. ($500)

Morse, T. E., & Cirlot-New, J. (2007-2009). "Project LINK." Mississippi Council on Developmental Disabilities. Create autism assessment/intervention support teams that will perform diagnostics and training activities from clinics at The University of Southern Mississippi and Mississippi State University.   ($86,433)

Morse, T. E. (2006). "Creation of an autism spectrum disorders library." Anthony Dartez Endowment Fund, Gulf Coast Community Foundation, Gulfport, MS. ($7,675)

Morse, T. E. (2004-2005). "Mississippi Data-Based School Change Initiative." Mississippi Department of Education, Office of Special Education. ($39,175)

Morse, T. E. (2004-2005). "Dyslexia Grant." Mississippi Department of Education. ($20,786.75)

Morse, T. E. (2004). "Mississippi Data-Based School Change Initiative." Mississippi Department of Education, Office of Special Education. ($10,000)

Morse, T. E. (2003-2004). "Direct Services Grant." Mississippi Department of Education, Office of Special Education. ($9,466)

Morse, T. E. (2003). "Assistive technology project." Pat Santucci Friends of Public Education Endowment Fund, Gulf Coast Community Foundation, Gulfport, MS. ($990)

Morse, T. E., O'Neal, V., & Davis, K. (2002-2003). "Teaching preservice special education teachers how to use technology to train paraprofessionals." PT3 Collaborative Technology Infusion Team award, The University of Southern Mississippi. ($7,500)

Morse, T. E. (2002-2003). "Creating multimedia instructional materials to teach life skills to students with moderate, severe, or profound disabilities." Anthony Dartez Endowment Fund, Gulf Coast Community Foundation, Gulfport, MS. ($3,590)

Grants (continued)

Morse, T. E. (2001-2002). "Preparing Mississippi's Future Teachers to Use Technology (PT3)." The University of Southern Mississippi-Gulf Coast (2001-2002). Resource Support Team member for the Gulf Park campus. Responsible for overseeing faculty technology training. ($2,500)

Morse, T. E. (2001-2002). "Multimedia instructional materials development for use in preservice special education teacher preparation courses." PT3 Mini-Grant, The University of Southern Mississippi. ($2,500)

Morse, T. E., & Shoemaker, H. (2000-2001). "Walking the talk: Teacher educators and future educators use new technology tools." PT3 Mini-Grant, The University of Southern Mississippi. ($2,500)

Morse, T. E. (1999-2000). "Preparing Tomorrow's Teachers for Technology (PT3)." Delta State University (1999-2000). Developed two courses - Survey of the Exceptional Child and Study of Learning Disabilities - as online courses for preservice teachers. ($2,500)

Public Service

Ruddiman, S. (February 2015). "Living with autism." South Mississippi Living, p. 96. Gulfport, MS.

Morse, T. E. (April 25, 2012). "The University of Southern Mississippi-Gulf Coast Autism Project: A locally-based resource for Mississippi." Presentation to the Long Beach Rotary Club.

Morse, T. E. (April 20, 2012). "The University of Southern Mississippi-Gulf Coast Autism Project: A training and student placement resource." Presentation to the Southern Six Special Education Directors Consortium, Long Beach, MS.

Morse, T. E. (February 8, 2012). "The University of Southern Mississippi Gulf Coast Autism Project: An alternative education option." Presentation to the 2011-2012 Leadership Group. Lynn Meadows Discovery Center, Gulfport, MS. (32 members present)

Morse, T. E. (December 2, 2011). "The University of Southern Mississippi Gulf Coast Autism Project." Presentation for Mississippi Republican Legislative Delegation.

November 17-18, 2011. Attended the National Autism Leadership Summit in Columbus, Ohio on behalf of the Mississippi Department of Education-Office of Special Education.

Public Service (continued)

2011-2012. Member, Mississippi Autism Advisory Committee. This committee was established by HB 1125 to study, make recommendations and develop a strategic plan on how best to educate and train students with Autism or Autism Spectrum Disorders to maximize their potential productivity within the workforce. Appointed by Dr. Tom Burnham, State Superintendent of Education.

2011. Member, Australian Emergency Preparedness subgroup of Patient Provider Communication Forum. This forum is a national and international effort to promote information sharing, cooperation and collaboration among individuals who are committed to seeking improvements in patient-provider communication across the entire health care continuum. See http://www.patientprovidercommunication.org/index.cfm/about.htm and http://www.patientprovidercommunication.org/index.cfm/participants.htm

Shoemaker, H., & **Morse, T. E.** (February 4, 2002). "Utilizing multimedia in the classroom." 6th Annual Creating Futures Through Technology Conference, February 4-5, 2002, Tupelo, MS.

Workshops

Morse, T. E. (February 5, 2014). "School programming for students with autism in Mississippi: Strategies for addressing the basics." Workshop presented at the 2014 Mississippi Council for Exceptional Children Annual Conference. Biloxi, MS.

Morse, T. E. (June 1, 2012). "Introduction to autism and school programming." Greene County School District, Leakesville, MS.

Morse, T. E. (March 7-8, 2012). "School-based programming for students with autism." Regional training for the Mississippi Department of Education-Office of Special Education, Starkville, MS.

Morse, T. E. (February 15-16, 2012). "School-based programming in Mississippi for students with autism." Mississippi Department of Education-Office of Special Education: Gulfport, MS.

Morse, T. E. (January 19-20, 2012). "School-based programming in Mississippi for students with autism." Mississippi Department of Education-Office of Special Education: Southaven, MS.

Morse, T. E. (November 9-10, 2011). "School-based programming in Mississippi for students with autism." Mississippi Department of Education-Office of Special Education. Jackson, MS.

Morse, T. E. (December 9-10, 2010). **"**Programming for students with autism across the continuum of alternative placements." Mississippi Department of Education-Office of Special Education. Gulfport, MS.

Morse, T. E. (November 11-12, 2010). "Programming for students with autism across the continuum of alternative placements." Mississippi Department of Education-Office of Special Education. Jackson, MS.

Morse, T. E. (December 1, 2009). "Autism: Evidence-based practices." Mississippi Department of Education. Gulfport, MS.

Morse, T. E. (April 23, 2009). "Classroom-centered interventions for students with autism spectrum disorders." Mississippi Parent Training and Information Center. Jackson, MS.

Morse, T. E. (February 27-March 11, 2009). "Designing and implementing appropriate school-based programs for students with an autism spectrum disorder (ASD)." Tupelo, Jackson, Hattiesburg, and Long Beach, MS.

Morse, T. E. (September 21, 1999)." Overview of special education law and its relationship to full inclusion." Mississippi Teacher Fellowship Program (MTFP) Town Meeting. Cleveland, MS.

Trainings

Morse, T. E. (2009-2016). Autism Trainings through the University of Southern Mississippi-Gulf Coast Autism Project.

May 31, 2016. "Elementary school programming for students with autism." Training for the foster parent of a 6 year old student with autism from the Gulfport School District. Long Beach, MS.

May 31, 2016. "Antecedent-based interventions for students with autism." Training for a school counselor from the Long Beach School District. Long Beach, MS.

May 18, 2016. "Elementary school programming for students with autism." Training for the parent and a caregiver of an elementary school student with autism from the Ocean Springs School District. Long Beach, MS.

May 16, 2016. "Preschool programming for students with autism." Training for two parents of a preschool student with autism from the Gulfport School District. Long Beach, MS.

May 11, 2016. "Preschool programming for students with autism." Training for two parents of a 3 year old student with autism from the Gulfport School District. Long Beach, MS.

May 2, 2016. "Preschool programming for students with autism." Training for two parents of a 3 year old student with a ruling of developmental delay from the Harrison County School District. Long Beach, MS.

April 25, 2016. "Preschool programming for students with autism." Training for two parents of a 3 year old student with autism in the Hancock County School District. Long Beach, MS.

April 22, 2016. "School programming for elementary students with autism." Training for the parent of a seven year old girl with autism in the Ocean Springs School District. Long Beach, MS.

April 20, 2016. "Comprehensive school programming for students with autism in Mississippi." Training for the parent of a seven year old student from the Hancock County School District. Long Beach, MS.

April 14, 2016. "School programming for students with autism." Training for 2 parents of a student with autism from the Hancock County School District. Long Beach, MS.

April 11, 2016. "Preschool programming for students with autism." Training for 2 parents of a 2 year old student with autism from the Hancock County School District. Long Beach, MS.

April 8, 2016. "School-based programming for students with autism." Training for the Director of the Mississippi Centers for Autism and Related Developmental Disabilities Clinic (D'Iberville) and two staff. Long Beach, MS.

April 7, 2016. "School-based programming for students with autism." Training for two Harrison County, Mississippi First Steps personnel. Long Beach, MS.

April 5, 2016. "Early intervention and preschool programming for children with autism." Training for the parent of a 21 month old child with autism from the Bay Saint Louis/Waveland School District. Long Beach, MS.

March 15, 2016. "Basic school programming strategies for students with autism." Training for 2 caregivers of a student with autism from the Long Beach School District. Long Beach, MS.

March 8, 2016. "School-wide interventions for students with autism spectrum disorder." Training for two personnel from the Jackson County Child Development Center: the Director and a Speech-Language Pathologist. Long Beach, MS.

February 29, 2016. "Basic school programming considerations for preschool students with autism." Training for the parent of a 4 year old girl from the Gulfport School District. Long Beach, MS.

February 18, 2016. "Handwriting: Info & ideas." Training for 14 parents and caregivers of students with autism by Jacquie Lipski, Occupational Therapist. Long Beach, MS.

February 10, 2016. "Accommodations and modifications for students with autism." Training for two parents of a 1st grade student from the Long Beach School District. Long Beach, MS.

February 1, 2016. "Public school programming for preschool students with autism." Training for the parent of a 3 year old student with autism in the Gulfport School District. Long Beach, MS.

January 27, 2016. "Challenging behavior: Strategies for success." Training for 19 caregivers of students with autism from the Long Beach, Gulfport, Harrison County, Hancock County, and Bay Saint Louis-Waveland School Districts. Presented with Dr. Terry Johnson. Long Beach, MS.

January 25, 2016. "Using functional behavioral assessments and behavior intervention plans to address displays of challenging behaviors by students with autism." Training for 2 parents of a student with autism from the Gulfport School District. Long Beach, MS.

January 14, 2016. "Strategies for addressing the challenging behaviors exhibited by students with autism." Training for the parent of an elementary student with autism in the Long Beach School District. Long Beach, MS.

January 11, 2016. "Evaluating public school programming for students with autism." Training for the parent of an elementary student with autism in the Hancock County School District. Long Beach, MS.

December 7, 2015. "Fundamental academic and language programming for students with autism." Training for an instructor from the University of Mississippi and a speech-language pathologist from the Monroe School District (Louisiana). Long Beach, MS.

December 4, 2015. "The USM Autism Project." Training for 6 members of the Long Beach School District Board of Education. Long Beach, MS.

November 2, 2015. Preschool programming for students with autism. Training for the parent of a preschool student with autism in the Bay/Waveland School District. Long Beach, MS.

October 30, 2015. "Programming strategies for students with autism who are gifted." Presentation for 34 members of the Gulf Coast Association for Teachers of the Gifted. Bayou View Elementary, Gulfport, MS.

October 15, 2015. "LRE considerations for students with autism." Training for 4 personnel from the Wayne County School District. Long Beach, MS.

October 6-7, 2015. "Basic school programming strategies for students with autism." Training for 4 personnel from the Lawrence County School District. Long Beach, MS.

October 2, 2015. "Strategies for home schooling students with autism." Training for the parent of a 10 year old student in Picayune, MS. Long Beach, MS.

September 21, 2015. "Behavior health therapy for students with autism." Training for the parent of a student with autism from the Gulfport School District. Long Beach, MS.

September 21, 2015. "Basic school programming strategies for students with autism." Training for 4 personnel from the Hancock County School District. Long Beach, MS.

September 18, 2015. "School programming for preschool students with autism." Training for three caregivers of a preschool student with autism from the Natchez School District. Long Beach, MS.

September 18, 2015. "Basic school programming strategies for students with autism." Training for 4 personnel from the Hancock County School District. Long Beach, MS.

September 17, 2015. "School programming for elementary students with autism." Training for two parents of an elementary school student with autism from the Harrison County School District. Long Beach, MS.

September 17, 2015. "School programming for preschool students with autism." Training for the parent of a preschool student with autism from the Picayune School District. Long Beach, MS.

September 15, 2015. "Basic school programming strategies for students with autism." Training for 4 personnel from the Hancock County School District. Long Beach, MS.

September 10, 2015. "School programming for elementary students with autism." Training for a parent of a student with autism from the Harrison County School District. Long Beach, MS.

September 9-10, 2015. "School programming for students with autism and other developmental disabilities." Training for 5 personnel from the Houston School District. Long Beach, MS.

September 7, 2015. "Structured play for students with autism." Training for the parent of a student from the Long Beach School District. Long Beach, MS.

August 26, 2015. "Public school programming for students with autism in Mississippi." Training for a student from the University of Wisconsin-White Water. Long Beach, MS.

August 26, 2015. "Behavioral interventions for preschool students with autism in inclusive settings." Training for the parent of a student with autism in the Ocean Springs School District. Long Beach, MS.

August 24, 2015. "School programming for elementary students with autism in self-contained classrooms." Training for two parents of twin boys with autism from the Harrison County School District. Long Beach, MS.

August 12, 2015. "Basic school programming strategies for preschool students with autism." Training for 3 personnel from the Hancock County School District. Long Beach, MS.

August 11, 2015. "Basic school programming strategies for preschool students with autism." Training for 7 personnel from the Hancock County School District. Long Beach, MS.

July 31, 2015. "Public school programming versus clinical services for students with autism." Presentation for the Director of The University of South Alabama Autism Assessment Clinic and one of its Developmental Behavioral Pediatricians. Long Beach, MS.

July 23, 2015. "School options for elementary-age students with autism: Private, public, and home school." Training for a parent of a kindergarten student in the Harrison County School District. Long Beach, MS.

July 14, 2015. "Creating and teaching a literacy/language arts curriculum to a student with autism receiving home school services." Training for a parent of a student with autism from the Harrison County School District in a Home School Program. Long Beach, MS.

June 11, 2015. "School programming for preschool students with autism." Training for the parent of a student in the Ocean Springs School District. Long Beach, MS.

June 10, 2015. "School programming for elementary students with autism." Training for the parent of a student in the Jackson County School District. Long Beach, MS.

June 9, 2015. "Planning for the design and implementation of appropriate school programs for students with autism." Two trainings for 10 personnel from the Hancock County Department of Human Services. Bay Saint Louis, MS.

June 8-19, 2015. "Pearl River Community College and Hancock County School District Internship for Educators 2015." Conducted an internship for a psychometrist from the Hancock County School District during the 2015 Summer Institute for Teachers of Students With Autism and Other Developmental Disabilities. Long Beach, MS.

June 4, 2015. "Interventions for lower elementary students with autism in general education classrooms." Training for a teacher from the Baldwin County School District in Alabama. Long Beach, MS.

May 29, 2015. "School programming for preschool students with autism." Training for 2 caregivers of 4 year old students with autism from the Hancock County and Gulfport School Districts. Long Beach, MS.

May 26-June 18, 2015. "Summer Institute for teachers of students with autism and other developmental disabilities." Training for 21 teachers from the following 19 school districts: Alcorn County, Chickasaw County, Madison County, Newton Municipal, West Point, Quitman, Tunica County, Quitman Consolidated, Tishomingo, Yazoo County, Choctaw County, Rankin County, Nettleton, Forrest County, Pass Christian, Jackson Public, Water Valley, Lowndes County, and Bay-Waveland. Long Beach, MS.

May 28, 2015. "School programming for preschool students with autism." Training for 2 caregivers of a 4 year old student with autism from the Lamar County School District. Long Beach, MS.

May 20, 2015. "Preschool programming for students with autism." Training for a parent of a student in the Harrison County School District. Long Beach, MS.

May 1, 2015. "Elementary school programming for students with autism." Training for the parent of a student with autism in the Hancock County School District. Long Beach, MS.

April 29, 2015. "Interventions for addressing challenging behaviors exhibited by students with autism." Training for a parent of a student in the Long Beach School District. Long Beach, MS.

April 28, 2015. "Interventions for addressing self-injurious behaviors exhibited by students with autism." Training for a parent of a student in the Hancock County School District. Long Beach, MS.

April 28, 2015. "Preschool programming for preschool students with autism." Training for 2 grandparents of a student at the Harrison County Child Development Center. Long Beach, MS.

April 27, 2015. "Preschool programming for preschool students with autism." Training for 2 parents from the Bay St. Louis/Waveland School District. Long Beach, MS.

April 23, 2015. "Preschool programming for preschool students with autism." Training for a parent from the Hancock County School District. Long Beach, MS.

April 20, 2015. "Strategies for supervising employees with autism spectrum disorder." Training for a professor from The University of Southern Mississippi. Long Beach, MS.

April 16, 2015. "School programming with applied behavior analysis for students with autism." Training for a professor from William Carey College. Long Beach, MS.

April 15, 2015. "Lower elementary school programming for students with autism." Training for the grandparent of a student with autism in the Vicksburg School District. Long Beach, MS.

April 13, 2015. "Preschool programming for students with autism." Training for the parent of a preschool student with autism from the Biloxi Public School District. Long Beach, MS.

April 9, 2015. "Teacher training issues for students with autism and other developmental disabilities." Training for an administrator from the Quitman Consolidated School District. Long Beach, MS.

March 24, 2015. "Ways to use visual supports with students with autism." Training for 18 parents and caregivers of students with autism from the following school districts: Gulfport, Long Beach, Hancock County, Harrison County, Quitman, and Scott County. Long Beach, MS.

March 6, 2015. "Public preschool programming for students with autism in Mississippi." Training for 2 parents from the Gulfport School District. Long Beach, MS.

March 3, 2015. "School programming for preschool and kindergarten students with autism." Training for a parent from the Hancock County School District and a parent from the Harrison County School District. Long Beach, MS.

February 19, 2015. "School programming for students with autism: The basics." Training for 24 personnel from the New Albany School District. New Albany, MS.

February 18, 2015. "School programming for students with autism: Fundamental considerations and interventions." Training for 38 attendees. North Mississippi Educational Consortium, Oxford, MS.

February 17, 2015. "What parents need to know about school programming for students with autism." Training for 6 parents and caregivers of students in the Tupelo Public School District. Tupelo, MS.

February 17, 2015. "School programming for students with autism: The basics." Training for 13 personnel from the Tupelo Public School District. Tupelo, MS.

February 16, 2015. "Fundamental school programming strategies for students with autism: Preschool-High School." Training for 50 personnel from the Wayne County School District. Waynesboro, MS.

February 11, 2015. "Public school services for students with autism in Mississippi." Presentation to 45 members of Leadership Gulf Coast. Long Beach, MS.

February 10, 2015. "Teaching reading comprehension to middle and high school students with autism." Training for a parent of a middle school student in the Harrison County School District. Long Beach, MS.

February 9, 2015. "An introduction to AAC strategies for students with autism." Training for 2 parents of a student with autism from the Quitman School District. Long Beach, MS.

February 3, 2015. "Public school programming for students with autism." Training for 4 caregivers of a student with autism in the Biloxi Public School District. Long Beach, MS.

January 16, 2015. "Communication intervention strategies for students with classic autism." Training for a parent from the Hancock County School District. Long Beach, MS.

January 8, 2015. "Basic intervention strategies for individuals with autism." Training for a grandparent from Picayune, Mississippi of a child with autism. Long Beach, MS.

January 5-16, 2015. "Nonviolent crisis prevention intervention strategies for students with autism." Certification training for four employees of The University of Southern Mississippi Autism Project.

December 17, 2014. "Programming for preschool-middle school students with autism." Training for the sponsor and 7 members of the Long Beach Middle School Robotics Team. Long Beach, MS.

December 12, 2015. "Preschool programming for preschool students with autism." Training for two parents from the Hancock County School District. Long Beach, MS.

December 10, 2015. "Home programming for preschool students with autism." Training for a parent from the Hancock County School District. Long Beach, MS.

December 8, 2014. "School programming for kindergarten students with autism." Training for 2 parents from the Harrison County School District. Long Beach, MS.

December 5, 2014. "Designing and implementing appropriate school programs for preschool students with autism." Training for 4 personnel from the Ocean Springs School District. Long Beach, MS.

December 4, 2014. "School programming for students with autism: Preschool-Grade 12." Training for 16 school personnel from the Coffeeville and Grenada School Districts. Coffeeville, MS.

November 12, 2014. "A day in the life of Soaring Eagle Elementary." Training for 15 caregivers from Central and South Mississippi. Long Beach, MS.

November 10, 2014. "Alternatives to school-based programming for students with autism." Training for 1 caregiver from the Long Beach School District. Long Beach, MS.

November 7, 2014. "School programming for preschool students with autism." Training for 2 school personnel from the Picayune School District. Long Beach, MS.

November 4, 2014. "School programming for preschool students with autism." Training for 2 caregivers from the Harrison County School District and 1 caregiver from the Pascagoula School District. Long Beach, MS.

October 30, 2014. "School programming for kindergarten students with autism." Training for 4 caregivers and 1 school personnel from the Gulfport and Laurel School Districts. Long Beach, MS.

October 27-28, 2014. "School programming for students with autism: Basic considerations." Training for 10 personnel from the Starkville School District. Long Beach, MS.

October 24, 2014. "School programming for students with autism: Basic considerations." Training for 17 school personnel and caregivers from the Hollandale School District. Hollandale, MS.

October 23, 2014. "Elementary school programming for students with autism." Training for two special education teachers from the Stone County School District. Long Beach, MS.

Johnson, T., & Morse, T. E. (October 22, 2014). "Evaluation and program planning for students with autism." Training for two parents of a student with autism in the Harrison County School District. Long Beach, MS.

Johnson, T., & Morse, T. E. (October 22, 2014). "Evaluation and program planning for students with autism." Training for three caregivers of a student with autism in the Long Beach School District. Long Beach, MS.

October 22, 2014. "Elementary school programming for students with autism." Training for a special education teacher from the Harrison County School District. Long Beach, MS.

October 21, 2014. "Related service provision to students with autism: Occupational therapy services." Training for an occupational therapist from Harrison County, MS. Long Beach, MS.

October 16-17, 2014. "School programming for students with autism: Basic considerations." Training for 8 personnel from the Starkville School District. Long Beach, MS.

October 10, 2014. "School programming for students with autism: Considerations for training professionals and caregivers." Training for 10 members of USM TEAAM. Long Beach, MS.

October 9, 2014. "Understanding and implementing behavioral interventions with students with autism." Training for 7 caregivers of students with autism from the Harrison County, Gulfport, Scott, and Quitman School Districts. Long Beach, MS.

October 8, 2014. "Understanding and implementing behavioral interventions with students with autism." Training for 3 caregivers of students with autism from the Hancock County and Quitman School Districts. Long Beach, MS.

October 8, 2014. "School programming for kindergarten students with autism." Training for 2 parents of a student with autism in the Rankin County School District. Long Beach, MS.

October 8, 2014. "Fundamental elements of school programming for students with autism in Mississippi." Training for a teacher from Lexington, TN. Long Beach, MS.

October 7, 2014. "Understanding and implementing behavioral interventions with students with autism." Training for 11 caregivers of students with autism from the Long Beach, Hancock County, Gulfport, and Bay-Waveland School Districts. Long Beach, MS.

October 6, 2014. "Components of a valid and reliable autism evaluation." Telephone consultation with the parent of a first grade child from the Long Beach School District. Bay Saint Louis, MS.

October 3, 2014. "Preschool programming for students with autism." Training for a parent of a preschool child with autism from the Gulfport School District. Long Beach, MS.

October 2-3, 2014. "School programming for students with autism: Basic considerations." Training for 10 personnel from the Starkville School District. Long Beach, MS.

September 29, 2014. "Appropriate environmental arrangements, instructional materials, and lesson plans for students with autism." Phone consult with a special education teacher from the Stone County School District. Columbus, OH.

September 24, 2014. "School programming for preschool and elementary students with autism." Training for 3 caregivers from the Harrison County School District and 2 caregivers from the Gulfport School District. Long Beach, MS.

September 22, 2014. "School programming strategies for preschool and elementary students with autism." Training for an administrator and counselor from the Bay St. Louis/Waveland School District. Long Beach, MS.

September 22, 2014. "Home-school collaboration strategies for students with autism." Training for a parent of a student with autism in the Bay St. Louis/Waveland School District. Long Beach, MS.

September 16, 2014. "Multicomponent treatment packages for students with autism." Training for a parent of a student with autism in the Gulfport School District. Long Beach, MS.

September 12, 2014. "Basic programming strategies for students with autism." Training for a parent of a student with autism in the Ocean Springs School District. Long Beach, MS.

September 12, 2014. "Interventions for addressing appropriate hand use by a student with autism." Training for 2 parents of a student with autism from the Gulfport School District. Long Beach, MS.

September 11, 2014. "Foundational elements for programming for students with autism." Training for 6 personnel from the Choctaw County School District. Long Beach, MS.

September 10, 2014. "Design and operation of the Autism Demonstration School." Training for 21 caregivers of students with autism from the following school districts: Bay-Waveland, Biloxi, Hancock, Harrison, Gulfport, and Long Beach. Long Beach, MS.

August 27, 2014. "Fundamental school programming issues for preschool and elementary students with autism." Training for 7 parents of students with autism (Bay-Waveland, Harrison County, Long Beach, and Pass Christian School Districts). Long Beach, MS.

August 26, 2014. "Issues pertaining to the provision of related services at The University of Southern Mississippi Demonstration School." Training for a Certified Occupational Therapy Assistant. Long Beach, MS.

August 21, 2014. "Comprehensible school programming for students with autism." Training for a special education teacher from the Rankin County School District. Long Beach, MS.
