Environmental Steward Scholarship

$1,000 (2016-17)

awarded by the Coastal Plains Chapter of the Air and Waste Management Association (AWMA)

Who’s eligible?
• UWF students majoring in Environmental Studies or any physical science
• Both undergraduates and graduate students will be considered
• Students must be enrolled full-time during Spring 2017

What are the criteria?*
• Good GPA
• Three letters of recommendation
• A 500-word essay on your personal and professional goals
• A desire to apply environmental expertise to solving real-world problems

Letters of recommendation should be in sealed envelopes with the recommender’s signature across the back flap. Please submit cover letter, essay, three sealed letters of recommendation, and résumé, to:

Dr. Matthew Schwartz
Department of Environmental Studies
University of West Florida
11000 University Parkway
Pensacola, FL 32514
FAX 850-857-6036
e-mail: mschwartz@uwf.edu

DEADLINE: FRIDAY, December 9, 2016

* The applications will be screened by the AWMA Coastal Plains Chapter selection committee for final selection of the scholarship awardee, who will be announced by early February.
