Every fall and spring the University of West Florida Physics Department is pleased to provide physics majors the opportunity to apply for the Lowell Edwards Scholarship to help support their academic goals and recognize their achievements. Awards are $250 each. Up to two (2) awards may be given in the Fall and up to two (2) may be given in the Spring. One (1) of the awards is reserved for students in their Junior year (Modern Physics I) and one (1) award for any physics major in their Junior (Modern Physics I) or Senior (Electricity & Magnetism II) years.

Review of applications will be based on three pillars: Merit, Means, and Service.

- **A full time Physics Major**
- **Corequisite: PHY3601 Modern Physics lab**
- **Merit:** A minimum Physics GPA 3.0 and General GPA 2.5
- **Means:** What other scholarships are you currently receiving?
- **Service to Department:** Service can be in the form of Research, participation or holding an officer position with SPS and/or ΣΠΣ, Outreach, and Tutoring.

For the Fall Scholarship, applications must be submitted to the Physics Office by COB September 20th, 2013. Awards will be announced on September 30th, 2013.

For the Spring Scholarship, applications must be submitted to the Physics Office by COB January 17th, 2013. Awards will be announced on January 27th, 2013.

Based on the applications, the faculty of the Physics Department will decide the recipients of the award. The decision of the faculty is final.

*(Note: You must submit independent applications each semester).*
Applicant Information

Full Name: ____________________________

Last          First          M.I.

Address: ____________________________________________________________

Street Address: ______________________________________________________

City          State          ZIP Code

Home Phone: (_____) __________________________ UWF ID#: ________________

Email Address: ________________________________________________________

Physics Degree Track ____________________________

Term you are applying for: Spring/Fall Year ________________

Physics GPA: _______ General GPA: ____________

(Optional) Briefly describe any factors that may have influenced your GPA either in a positive or negative way.
