FALL

COMMENCEMENT

SATURDAY, DECEMBER 16, 2017

LETTER FROM THE
PRESIDENT

Martha D. Saunders, President

Dear 2017 Graduates,

Today marks the day you have long anticipated—graduation. On behalf of everyone at the University of West Florida, I want to tell you how proud we are of you. It took hard work and determination, along with countless hours of study, to get here.

Your degree, whether a bachelor's, master's, specialist or doctoral, marks an important step toward your future successes. Some of you will be starting the career that you have dreamed of while others will start working towards that next degree. Whichever path you have chosen, your Argo family will cheer you on.

Throughout your UWF career, you've had a team who has encouraged you and supported your efforts. I want to thank the parents, spouses, children and friends of our graduates who have helped along the way. They share a feeling of pride in your accomplishments and excitement for your journey ahead.

The word "commencement" signifies moving forward. You are starting out and blazing a new trail. Your time at

UWF has given you a foundation for your journey. My wish for you is to go with a sense of optimism and confidence that you can face the challenges you encounter.

You now share in the rich history of UWF. Over the past 50 years, more than 82,000 individuals like you have become UWF graduates. Congratulations on joining that elite group and thank you for being a part of the Argo story.

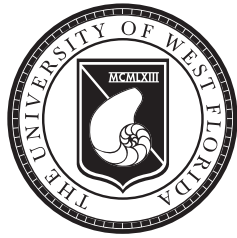

As you leave here today, remember these words, *Ancora Imparo*, which translates to "still I am learning." I encourage you to continue learning new ideas and concepts. Seek out ways to gain knowledge and skills that will enrich your life.

Congratulations from everyone at the University of West Florida. We are proud of you. Go Argos!

Sincerely yours,

A handwritten signature in cursive script that reads 'Martha D. Saunders'.

HONORARY DEGREE RECIPIENT

Fredric G. Levin

Fredric “Fred” G. Levin is one of the most successful trial attorneys in the country. He has received more than 25 jury verdicts in excess of \$1 million, six of which were in excess of \$10 million. He is best known for rewriting Florida’s Medicaid Third-Party Recovery Act to allow the state of Florida to recover billions of dollars from the tobacco industry for smoking-related illnesses. He is a member of the Inner Circle of Advocates, an organization limited to 100 members throughout the country, and he has been listed in every edition of the publication, “Best Lawyers in America.”

Among his many accomplishments, Levin was named The Trial Lawyer of the Year by the National Trial Lawyers for 2015. He was also inducted into the Trial Lawyers Hall of Fame in 2009, which is located at Temple Law School in Philadelphia. Other honors include receiving the Perry Nichols Award in 1994, which is the

highest honor bestowed by the Florida Justice Association and is given in recognition for a person’s lifetime achievements in the pursuit of justice.

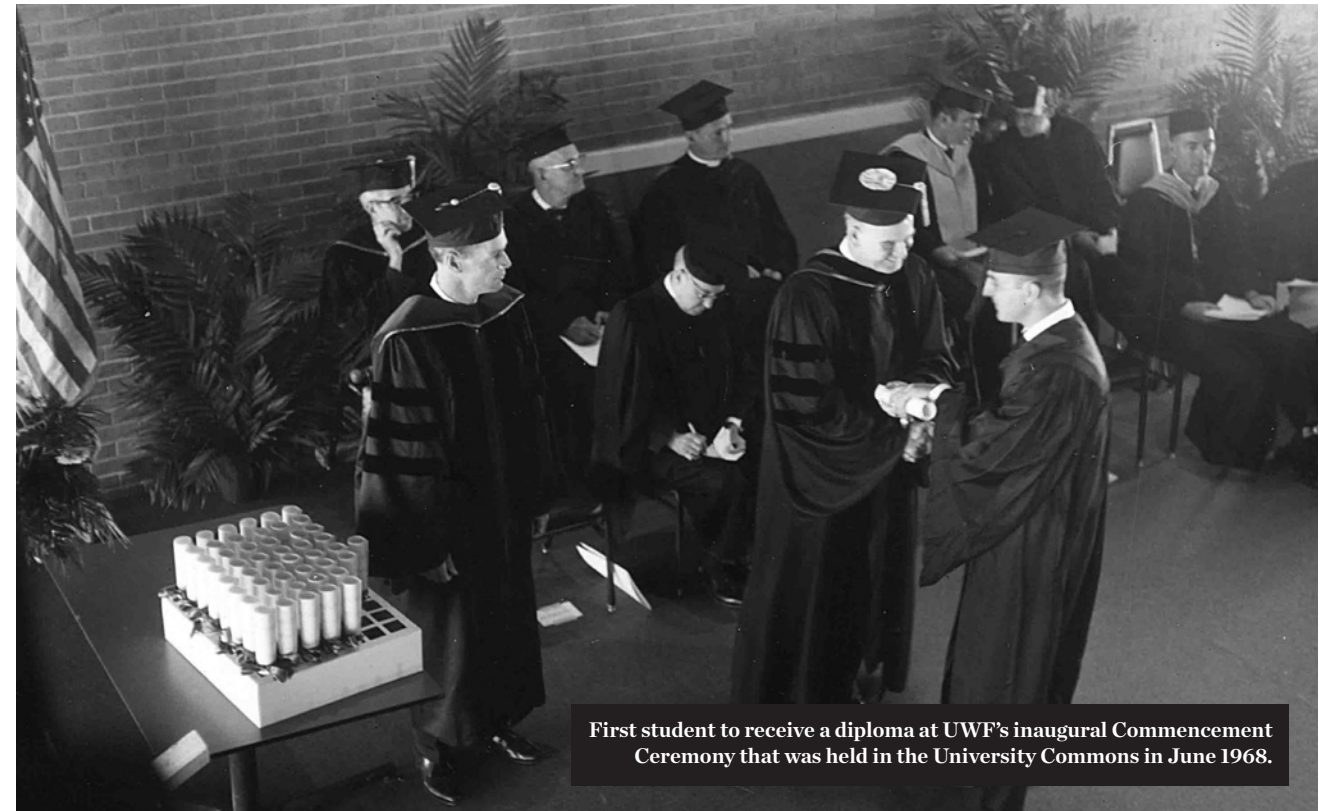

A generous philanthropist, Levin was presented the “H.K. Matthews Legacy Award,” earlier this year for his longtime contributions to educational and charitable programs that help further social justice and higher learning. He was also honored at the Brigham and Women’s Hospital for the establishment of the Fredric G. Levin Distinguished Chair in Thoracic Surgery and Lung Cancer Research, in recognition of his gift this year in the amount of \$2 million.

Additionally, in 1998, Levin gave the University of Florida law school, his alma mater, the largest cash donation ever given to a public law school. In 1999, the law school name was officially changed to the University of Florida Fredric G. Levin College of Law. Ten years later, he gave another large cash gift to the law school to have a state-of-the-art advocacy facility built.

Levin has also made multiple donations to the University of West Florida. More than 20 years ago, he created the first endowed professorship at the University of West Florida in honor of his father, Abe Levin. Levin’s tremendous professional success has enabled him to enhance the University through a long-standing history of giving, including contributions to UWF football and the establishment of the Reubin O’D. Askew Institute for Multidisciplinary Studies, in memory of Florida’s 37th governor and Levin’s former law partner.

“I’ve always believed if you’re going to give, you should do it while you’re living so that you can see it being used and impacting others’ lives,” Levin said.

GOLDEN GRADUATES

First student to receive a diploma at UWF’s inaugural Commencement Ceremony that was held in the University Commons in June 1968.

In just 50 years, UWF has changed the lives of more than 80,000 alumni. Today, we honor the UWF class of ’68-’69, the Golden Graduates, who started this journey 50 years ago. These distinguished alumni impacted UWF and went on to become trailblazers in their careers—nurses, teachers, engineers, historians, accountants and entrepreneurs. Fifty years ago was just the beginning. Here’s to the next 50 years of creation, innovation and transformation.

ACADEMIC REGALIA

The academic regalia worn today at the University of West Florida originated in the universities of the Middle Ages when a warm gown and hood were useful for scholar and cleric in unheated buildings. The distinctive gown also served to set the student apart from his fellow citizens of the community. Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time, it was decided that all robes would be black; bachelors' gowns of silk with long closed sleeves; doctors' gowns also carried three velvet bands around each sleeve above the elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which the degree was earned.

In the recent years several universities have decided to return to a distinctive gown design, particularly in the color of the garment. However, there has been no change in the standard colors that represent the disciplines. At the University of West Florida, each bachelor's degree candidate or graduate wears a blue and green tassel on the cap (mortar board). The tassels of master's and specialist's degree candidates and graduates represent the specific degree or discipline achieved. Doctoral degree recipients wear a gold tassel. In addition, baccalaureate graduates who have earned a 3.5 accumulative grade point average or higher are entitled to wear gold honor cords on their gowns.

ALMA MATER

*Where learning's light sends forth its beam
Through darkness of our youth,
There you, West Florida, home of dreams
Prepare the way of truth.
You guide us toward tomorrow's shore
With knowledge of our past;
Your power in us rests secure,
And evermore will last.
Your stately mansions were our home
Where minds and hearts are free;
And though we may far from you roam,
We'll always honor thee.*

Composer Lynne Lauderdale, D.M.A.

Lyricist A. Michael Yots, Ph.D.

Fifty years ago was just the beginning.
Here's to the next 50 years of creation,
innovation and transformation.
